

The Cube Disability Limited

Service User Care Services Needs Assessment

This assessment is about you and the information you or your representative give us will help to plan the care and support that you need in a way that meets your identified needs. We will treat the information you give us with care and confidential and will only disclose information to the staff providing care to you and Care Quality Commission and the funding authority when they carry out inspection/monitoring visits.

You can decline to answer any questions that you find intrusive, and we will respect your wishes.

Please provide any other information you feel is relevant to this assessment:

Permission to share my personal information

I give The Cube Disability service staff permission for them to use the key safe to access my property so they can meet my care needs as identified in my care planning document.

I also give them permission to give me my medication to keep me healthy and safe.

I also give them consent to share my personal information kept at the Cube Disability office with my next of kin, Social Services, Care Quality Commission, and the police.
